Item 8.01 Other Events.

On July 15, 2008, a director of sales of Capstone Turbine Corporation, a Delaware corporation (the "Company"), gave a sales presentation that could indicate that orders for the Company's 200-kilowatt ("C200") microturbine have shipped and stated that more than 5,000 microturbine production units have been sold since the Company's inception. As of March 31, 2008 the Company had shipped over 4,000 systems and had 426 systems in backlog. As of the date of this report, no commercial C200 microturbine orders have shipped. The first commercial C200 microturbines are scheduled to be shipped in September 2008 and as of March 31, 2008, the Company had 60 units or 12 megawatts in total backlog of C200 microturbines. More information on the sales and scheduled shipments of the C200 microturbines can be found in the Company's Annual Report on Form 10-K for the year ended March 31, 2008 under the heading "Business." In addition, a corrected version of the sales presentation has been included on the Company's website, www.capstoneturbine.com, in the section titled "Investor Relations - Presentations."
