**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On November 23, 2018, Capstone Turbine Corporation, a Delaware corporation (the “Company”), received a notice from the Listing Qualifications Department of the Nasdaq Stock Market (“Nasdaq”) stating that, for the last 30 consecutive business days, the closing bid price for the Company’s common stock had been below the minimum \$1.00 per share requirement for continued listing on the Nasdaq Capital Market as set forth in Nasdaq Listing Rule 5550(a)(2). In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company has been provided 180 calendar days, or until May 22, 2019, to regain compliance with the minimum bid price requirement. In order to regain compliance, the bid price of the Company’s common stock must close at \$1.00 per share or more for a minimum of ten consecutive business days, at which time Nasdaq would provide written confirmation of the Company’s compliance. If the Company is not in compliance by May 22, 2019, the Company may be eligible for a second 180 calendar day period to regain compliance, provided the Company meets the continued listing requirement for market value of publicly held shares and all other initial listing standards for Nasdaq, except the bid price requirement, and will need to provide written notice to Nasdaq of its intention to cure the deficiency during the second compliance period. If the Company is not eligible or it appears to Nasdaq that the Company will not be able to cure the deficiency during the second compliance period, Nasdaq will provide written notice to the Company that the Company’s common stock will be subject to delisting. At that time, the Company may appeal the delisting determination to a Hearings Panel.

The Nasdaq notification has no immediate effect on the listing of the Company’s common stock on the Nasdaq Capital Market. The Company will monitor the closing bid price of its common stock and will consider various possible options to cure the deficiency and regain compliance with Nasdaq Marketplace Rule 5550(a)(2).
