In connection with the Chapter 11 Cases, the Company may file additional supplements to the Plan as necessary.

The Company does not plan to file a Current Report on Form 8-K each time information, including any Plan supplement, is filed with the Bankruptcy Court or is made available at such website.

## Exhibit D

### Description of Retained Causes of Action

“Retained Causes of Action” include all of the Debtors’ claims (as defined in section 101(5) of the Bankruptcy Code) and Causes of Action against any and all parties arising under law or equity, including any defenses, counterclaims, crossclaims, and other rights in litigation asserted by any party against the Debtors.

The Plan defines “Causes of Action” to mean “any and all claims, actions, causes of action, choses in action, suits, debts, damages, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, judgments, remedies, rights of set-off, third-party claims, subrogation claims, contribution claims, reimbursement claims, indemnity claims, counterclaims, and crossclaims (including all claims and any avoidance, recovery, subordination, or other actions against Insiders and/or any other Entities under the Bankruptcy Code, including Avoidance Actions) of any of the Debtors and/or the Estates, whether known or unknown, liquidated or unliquidated, fixed or contingent, matured or unmatured, disputed or undisputed, that are or may be pending on the Effective Date or commenced by the Reorganized Debtors after the Effective Date against any Entity, based in law or equity, including under the Bankruptcy Code, whether direct, indirect, derivative, or otherwise and whether asserted or unasserted as of the date of entry of the Confirmation Order.”

Further, Section 4.15 of the Plan provides, among other things, that “[u]nless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or by a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue any and all Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtors’ rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date.” **For the avoidance of doubt, nothing in this Plan Supplement modifies the definition of “Causes of Action” in the Plan or impairs or otherwise affects in any way Section 4.15 of the Plan.**

In addition to the Retained Causes of Action identified herein, there may be additional Retained Causes of Action based on state or federal law, or otherwise, that currently exist or may arise, that are not set forth herein, because the facts that form the basis of such Retained Causes of Action are not fully or currently known by the Debtors (the “Unknown Retained Causes of Action”). For the avoidance of doubt, the intent of the Plan is that the Reorganized Debtors shall retain all Retained Causes of Action, including any Unknown Retained Causes of Action, as provided for in the Plan and as set forth herein. The failure to list any Retained Causes of Action, including any Unknown Retained Causes of Action, in the Plan or this Schedule is not in any way intended to waive such claims or lit the rights to pursue such claims.

**No party may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them.**

---

**The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any party, except as otherwise expressly provided in the Plan.**

Review of the Debtors' Causes of Action is ongoing. Accordingly, all rights are reserved to supplement this Schedule prior to the Effective Date of the Plan.
